Doha Refereeing, Sport and Education Seminar, Qatar

 @MariusVizer

Dear Judo Family,

The year 2020 is one of great importance for the sport of judo. With the Olympic Games to be held in Tokyo, Japan – the birthplace of our sport, all eyes of the world will be on our athletes and our competition.

We are already witnessing a great interest in the Olympic judo competition and Tokyo 2020 will be a perfect occasion for all of us to harvest the fruits of the work and activity we had in the past four years. We are hoping to be able to present outstanding judo performances and impeccable organization, as well as a display of the judo values and principles which guide and unite us.

The IJF Refereeing and Coaching Seminar 2020 takes place in Doha, Qatar, a location which we will return to in the following period for several competitions and where we hope to develop our sport and increase its presence in the Qatari society. I hereby thank the organizers – the Qatar Judo Federation, as well as the Qatar Olympic Committee, for their support and efforts.

This seminar has become a traditional gathering of the entire Judo Family – coaches, referees, experts and all technical personnel. It is a good opportunity to learn, exchange and clarify all aspects related to judo competitions and refereeing, in order to continue our activity in harmony and clarity, showing a positive image of judo in the world.

I wish all participants a successful activity and enjoyable stay in Doha!

Marius L. VIZER
President
International Judo Federation

Dear Judo Family Members, Dear distinguished Guests,

The Qatar Judo Federation is very pleased and honored to host two important events in 2020 scheduled in the official calendar of the International Judo Federation.

I would like to seize this opportunity to convey my heartfelt thanks and appreciation to the IJF President Mr. Marius VIZER for his continued support and trust in allocating the organization of these two major activities to Qatar.

Doha has always been an active and hospitable city to stage high performance sports. Our high authorities place a big emphasis on sport development to promote friendship and understanding among our youths and different communities.

Sports practice and judo in particular are strongly encouraged in our schools, universities and clubs. To meet the growing interest of our population for sport and leisure activities many facilities were built in the last three decades and some are still under construction.

The Refereeing, Sport and Coaching Seminar which opens the new sport season of the IJF will certainly gather a big number of referees and coaches who will during the two days conference debate about various technical issues that will raise our sport standards and values.

Our best judokas will meet in the masters to be held 28-30 May 2020 in a last attempt to grab the biggest number of points to help them qualify for the next Olympic Games of Tokyo. This event will undoubtedly remain as a lasting memory for many athletes who will achieve great results.

I wish to our referees, coaches and officials a good stay in Doha and a successful seminar.

Khalid Hamad ALATIYA
President
Qatar Taekwondo, Judo & Karate Federation
